

# SPECIALIST PHYSICIANS

with a private practice

Community Information Integration (CII) technology allows you to submit your consult reports directly from your EMR to Netcare.

- ▶ CII works with EMRs from:
  - Microquest
  - QHR
  - TELUS
- ▶ Have your high-quality consult reports accessible to any provider a patient sees

Click or scan me to ask how!

Get your consult reports on Netcare!

No cost to participate

Make your practice visible to other providers

Improve continuity of care for patients

Reduce duplicate referrals
